Email: knowsleyface@knowsley.gov.uk

The course listings on the following pages are in alphabetical order and show our intended courses for 2020 - 2021. **ENQUIRE NOW TO SECURE YOUR PLACE!**

For the most current information about our courses use the course contact details provided in the listings, You can also email us, visit our Facebook page, or visit our website which is currently under development.

How we'll deliver our courses during the current health crisis:

- The service has been successfully delivering adult and community learning classes remotely during this Covid-19 health crisis.
- In line with Government guidance, we are continuing to deliver classes remotely for the new academic year with scheduled classroom face-to-face sessions for all courses arranged in a very small number of selected venues in Halewood, Kirkby, Huyton and Prescott/Whiston where social distancing measures can be implemented safely for learners and staff.
- This will enable learners to benefit from the wider and social aspects of learning that learners tell us they enjoy and appreciate such as developing relationships with other learners, connecting and conversing with peers, reducing isolation and having personal contact with tutors – to name just a few.

We will seek to increase the amount of direct classroom delivery as and when it becomes safe to do so.

Most of our courses are **FREE** (terms and conditions apply). Concessions are available subject to eligibility criteria. **Please phone for more information**

Digital Support - Online Enrolment

Support with online enrolment is available to those learners wishing to undertake accredited courses. If you require information or help on this please contact **Michelle** on:

0151 443 5389 | Mobile: 07810 053 971

Courses advertised in the listings are for the 2020/2021 academic year only

Family And Community Education

Knowsley FACE offers internal progression routes for many courses.

Information Advice and Guidance (IAG) Officers can also signpost learners to relevant Further or Higher Education providers.

Many of our learners gain entry qualifications to undertake higher learning at Colleges and Universities.

FACE Forward Recovery Partnership

This service provides free health and wellbeing courses to residents of the Knowsley area and beyond. Courses are co-designed and co-delivered by volunteers and people with lived experience of mental health issues. By doing this we aim to empower the people in our communities to play an active role in generating better health and wellbeing outcomes for themselves and future generations.

FACE Forward offers both social and educational prescribing to help alleviate symptoms of poor mental health that complements medical interventions provided by GPs or mental health services. Social and educational prescription is an extremely important and effective way to combat some of the personal, social and economic issues that can lead to poor mental health.

For information about our FACE Forward Recovery Partnership courses please contact: Alec 0151 443 5400 or Barbara 0151 443 5399

Courses in this listing are correct as at 11th August 2020. We reserve the right to make changes to any of our courses for operational and/or funding reasons. Minimum class sizes apply. Places allocated on a first come first served basis. Our liability extends only to the reimbursement of fees paid if a course is closed. The service reserves the right to amend tuition costs and concessions if there are changes to national funding.
