PREVENT STATEMENT

In July 2015, a legal **duty** came into force requiring that 'specified authorities', including **schools** and further **education colleges** ('colleges'), show 'due regard to the need to **prevent** people from being drawn into terrorism' – popularly referred to as the '**Prevent duty**'

Knowsley FACE has adopted the Prevent Duty in accordance with legislative requirements. The aim of this Prevent Statement is to provide and maintain a safe, healthy and supportive learning and working environment for our learners, staff and visitors. We recognise that extremism and exposure to extremist materials and influences can lead to poor outcomes for learners. We further recognise that if we fail to challenge extremist views, we are failing to protect our learners from potential harm. As with all matters of safeguarding; any concerns around Prevent should be reported immediately to the service's Nominated Safeguarding Officer(s). Such disclosure will be addressed as a safeguarding concern and dealt with in accordance with guidance from the National Office of Counter-Terrorism.
